TYPE OF SERVICES	PROGRAM COVERAGE**	PRIOR AUTHORIZATION OR OTHER REQUIREMENTS*
25 PERSONAL CARE	Personal Care Services identified by the county worker in the assessment of the recipient, performed in the recipient's home by qualified providers. Services may include one or more activities such as assisting with the administration of medications, providing needed assistance or supervision with basic personal hygiene, eating, grooming and toileting. Other incidental services may also be provided as long as they are subordinate to personal care services.	Personal Care Services shall be available to eligible medically needy aged, blind and disabled individuals covered under the state plan. Services will be provided to the recipients who have an illness that has been diagnosed to be chronic and/or permanent (lasting at least one year) and who are unable to remain safely at home without this assistance. Personal Care Service hours shall be capped at a maximum of 283 hours per month. Service hours for recipients shall be based on medical necessity as determined by the Statewide Uniform Assessment. Services shall not be available to residents of a facility licensed by the California State Department of Health Services nor to residents of a community care facility or a residential care facility licensed by the California State Department of Social Services Community Licensing Division.

*Prior authorization is not required for emergency services.
**Coverage is limited to medically necessary services.
