

## **News**

Open Door to be held November 2 to outline the direction for the demonstration and provide an opportunity for comment by the ESRD community.

## **Background**

Section 623(e) of the Medicare Modernization Act directs the Centers for Medicare & Medicaid Services (CMS) to conduct a demonstration of a “fully case mix adjusted” payment system that bundles drugs and related laboratory tests with the composite rate payments.

## **Notices and solicitation materials**

(See downloads area below for more information: Open Door briefing)

## **Advisory Board materials**

Section 623(e) establishes an Advisory Board to make recommendations concerning the design of the demonstration. Material prepared for the Advisory Board may be found at: (See CMS Related Inside area below for more information: xxxx)
