Important Note

The ***IACS User Guide Main Body*** contains information about, and instructions on how to complete procedures, *applicable to all IACS users*. You must have an understanding of these procedures and information to understand what is presented in this Attachment.

Please read the ***IACS User Guide Main Body*** before you begin to use this Attachment. It can be found under General User Guides and Resources at: www.cms.hhs.gov/IACS

This IACS Help Document Attachment provides instructions on how to:

1. Complete the ***Access Request*** portion of the ***New User Registration*** screen for Community Based Organization/Customer Service Representative (CBO/CSR).
2. Modify your account profile.

B 1.0 CBO/CSR Access Request Fields

When you began your registration process, you selected the **New User Registration** hyperlink on the **Account Management** screen. The system then displayed the **New User Registration Menu** screen illustrated in Figure B 1.

You then selected the hyperlink for the CBO/CSR application and the **New User Registration** screen opened.

You completed the **User Information** portion of this screen according to the instructions provided in the IACS User Guide Main Body.

Up until this point, the information you provided was generic and identified you to IACS. Now we will examine the information fields that are specific to the CBO/CSR application.

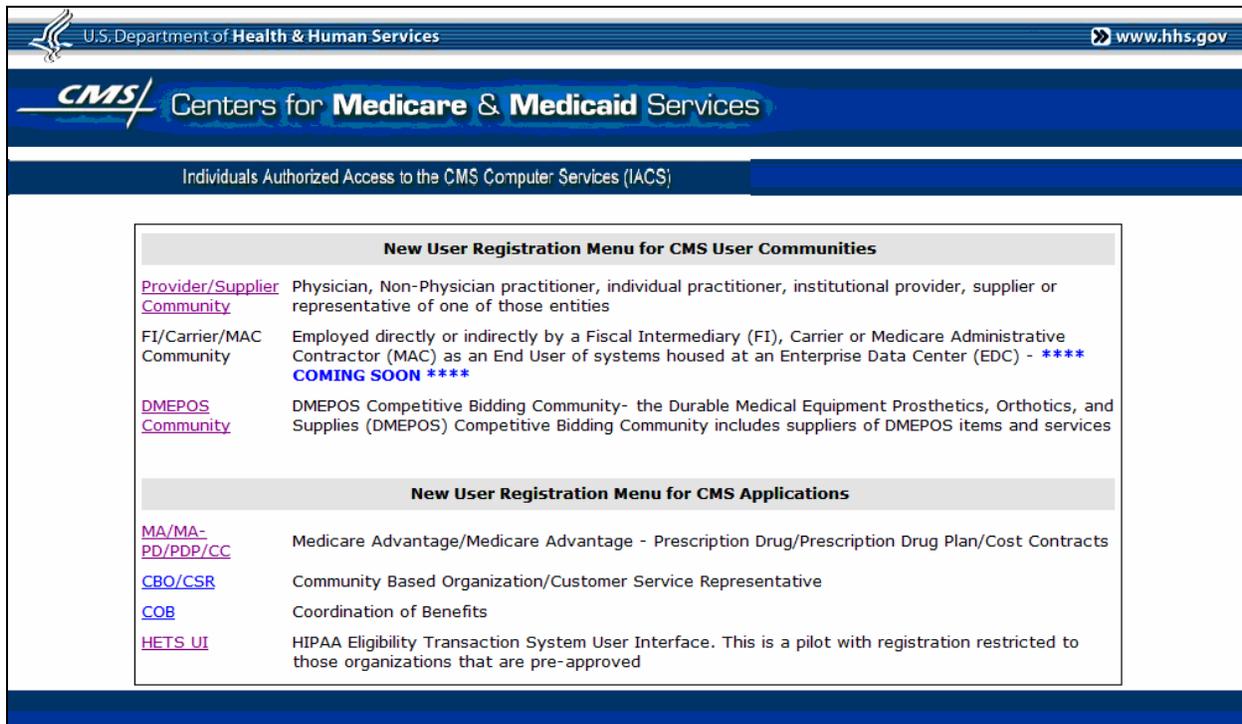

Figure B 1: New User Registration Menu for CMS Applications Screen

In the **Access Request** portion of the **New User Registration** screen, as illustrated in Figure B 2, the User Type field will be pre-populated with the CBO/CSR application selection you made on the **New User Registration Menu** screen. A **Role** field and **Justification for Action** field are also displayed.

Figure B 2: CBO/CSR User Type Displayed

The *Role* field contains a drop-down list of Roles as illustrated in Figure B 3.

The *Call Center* field contains a drop-down list of available Call Centers as illustrated in Figure B 4.

You may select one of the following roles for the CBO/CSR application:

- **User** – This role will be able to perform CBO/CSR functions for selected call centers.
- **Approver** – This role will be able to approve Users for the CBO/CSR application

You may select one or more of the available Call Centers you require.

B 1.1 CBO/CSR - User

To register in IACS as a CBO/CSR **User** you must select the user role from the drop-down list in the *Role* field as illustrated in Figure B 3.

Figure B 3: CBO/CSR Role Selection

Action: Select the **User** role from the *Role* field drop-down list.

You must then select your desired Call Centers from the *Call Center* field drop-down list as illustrated in Figure B 4.

Action: Select the **Next** button when you are done filling in all the required fields on the **New User Registration** screen.

When you select the **Next** button, the system will validate the data you have entered in each of the fields on the **New User Registration** screen. If there is any invalid data or there are any required fields not filled in, the system will redisplay the **New User Registration** screen with a warning message at the top of the screen informing you of data that needs to be corrected or required fields that still need to be filled.

When the data in all fields are valid and all required fields have been completed, the system will display a **Review Registration Details** screen in which you can review the information you entered in the **New User Registration** screen.

Go to the **Completing Your New User Registration** section in the IACS User Guide Main Body, for an example of the **Review Registration Details** screen. This section also explains how to complete the IACS new user registration process.

B 1.2 CBO/CSR Approver

To register in IACS as a CBO/CSR **Approver** you must select the Approver role from the drop-down list in the *Role* field as illustrated in Figure B 6.

The screenshot shows the 'Access Request' form. The 'User Type' is 'CSR'. The 'Role' dropdown menu is open, showing 'Approver' selected. A red box highlights the 'Approver' option with the text 'Select Role'. The 'Call Center' field shows 'Phoenix, AZ' and an 'Add' button. A note at the bottom right says '* indicates a required field'.

Figure B 6: CBO/CSR Role Selection

Action: Select the **Approver** role from the *Role* field drop-down list.

You must then select your desired Call Centers from the *Call Center* field drop-down list as illustrated in Figure B 7.

The screenshot shows the 'Access Request' form. The 'Role' is 'Approver'. The 'Call Center' dropdown menu is open, showing a list of call centers including '28th Avenue, Phoenix, AZ', 'Black Canyon, Phoenix, AZ', 'Blue Cross/Blue Shield, Little Rock, AR', 'Columbia, Broad River, SC', 'Columbia, SC', 'Convergys, Coastal (Jacksonville), NC', 'Convergys, Denver, CO', 'Convergys, Tamarac, FL', 'Coraville, IA', 'Corbin, KY', and 'First Coast Service Option, Jacksonville, FL'. A red box highlights the 'Add' button with the text 'Select Call Center' and 'Then select the Add button'. A note at the bottom right says '* indicates a required field'.

Figure B 8: CBO/CSR Approver – Justification for Action Field

Action: Enter a brief justification statement for your request in the *Justification for Action* field as illustrated in Figure B 8. This field must include the reason you are requesting this action.

Action: Select the **Next** button when you are done filling in all the required fields on the **New User Registration** screen.

When you select the **Next** button, the system will validate the data you have entered in each of the fields on the **New User Registration** screen. If there is any invalid data or there are any required fields not filled in, the system will redisplay the **New User Registration** screen with a warning message at the top of the screen informing you of data that needs to be corrected or required fields that still need to be filled in.

When the data in all fields are valid and all required fields have been completed, the system will display a **Review Registration Details** screen in which you can review the information you entered in the **New User Registration** screen.

Go to the **Completing Your New User Registration** section in the IACS User Guide Main Body, for an example of the **Review Registration Details** screen. This section also explains how to complete the IACS new user registration process.

B 2.0 Modify Account Profile

You may need to modify your IACS account profile to add call centers to the list of those to which you already have access, to delete call centers to which you no longer need access, or request a role in another IACS integrated CMS Application or CMS User Community.

The following steps and screens show you how to access your profile account in IACS to make desired modifications.

Action: Browse to <https://applications.cms.hhs.gov> on the CMS website.

The **CMS Applications Portal WARNING/REMINDER** screen will display as illustrated in Figure B 9.

Figure B 9: CMS Applications Portal WARNING/REMINDER Screen

Action: Read the important information on this screen and indicate your agreement by selecting the ***Enter CMS Applications Portal*** button.

If you do not want to proceed any further and you want to exit, select the ***Leave*** button.

The **CMS Applications Portal Introduction** screen will display as illustrated in Figure B 10.

CMS Applications Portal Introduction

The CMS Applications Portal is property of the Centers for Medicare & Medicaid Services (CMS). CMS is a Federal agency within the U.S. Department of Health and Human Services. To learn more about CMS, visit the [CMS Website](#).

The CMS Applications Portal is a gateway being offered to our Business Partners to access a number of systems related to Medicare Advantage, Prescription Drug, and other CMS programs. This portal is in its initial implementation stage with new capabilities being added on a regular basis.

To use the CMS Portal you must first register and then choose a role:

- **Account Management** - Registration and user management services required to access applications within CMS' Applications Portal
- **Plans** - Health plans participating in the Medicare program such as the Medicare Advantage Plans and the Medicare Prescription Drug Plans
- **Providers** - Providers that participate in the Medicare program such as Hospitals and Physicians
- **Data Services** - Data Services for internal CMS users

Action: Enter your *User ID*

Action: Enter your *Password*.

Action: Select the *Login* button.

The **My Profile** screen will display as illustrated in Figure B 13.

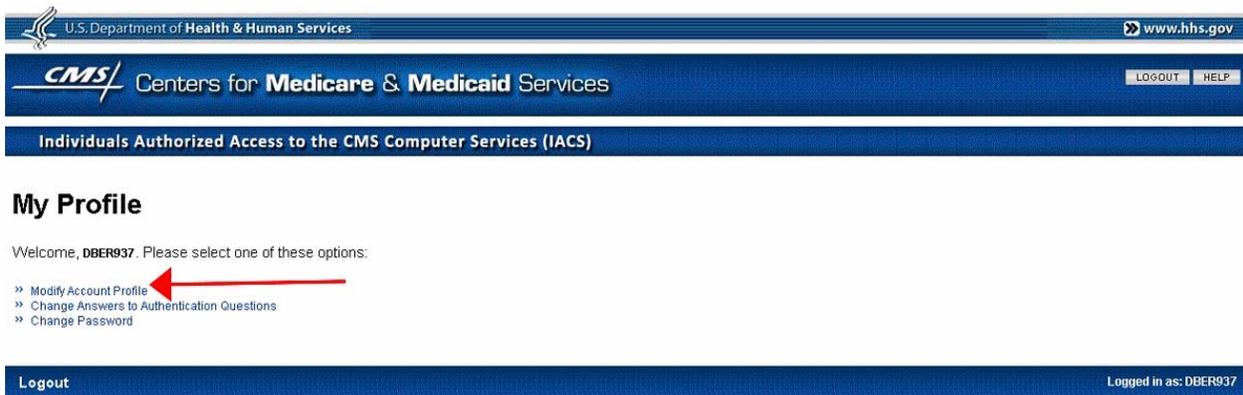

Figure B 13: My Profile – Modify Account Profile Option

Action: Select the **Modify Account Profile** hyperlink.

The **Modify Account Profile** screen will display. Selected *User Information* fields will be filled in with information you previously provided during the registration process, however, the information in these fields cannot be changed. Also, the SSN field is not displayed. Sample *User Information* fields in a **Modify Account Profile** screen are illustrated in Figure B 14.

In the **Access Request** portion of the **Modify Account Profile** screen a *Select Action* field and a **View My Access Profile** table display. Both are illustrated in Figure B 14: The **View My Access Profile** table contains the following information:

- **Community/Application: Role** – Displays your current applications or communities and your role within each application or community.
- **Profile Summary** – Displays a summary of your IACS account profile.
- **Possible Actions** – Displays a listing of possible actions that you can take based on each of your approved roles.

Note: If you have a role in more than one application or community, each application or community will display in a separate row in the table.

The screenshot shows the 'Modify Account Profile' screen. The 'User Information' section includes fields for User ID (DLFB791), First Name (Basil), Last Name (Pepper), E-mail Address (bipepper@network.net), Office Telephone (410-345-6789), Company Name (Willow Associates), Company Telephone (410-345-6780), Address 1 (1323 E. Williams), City (Paint), State/Territory (MD), and Zip Code (75901). The 'Access Request' section has a 'Select Action' dropdown menu set to 'View My Access Profile'. Below this is a table titled 'View My Access Profile' which is circled in red. The table has three columns: 'Community/Application: Role', 'Profile Summary', and 'Possible Actions'. The first row shows 'CBO/CSR : User' with a 'Call Center(s): Blue Cross/Blue Shield, Little Rock, AR' and 'As a User: Add/Remove Call Centers'.

Figure B 14. Example of CBO/CSR Modify Account Profile Screen

The *Select Action* field provides a drop-down list of actions you can take when modifying your account profile. This list is illustrated in Figure B 15.

The **default** view is **View My Access Profile**, which allows you to view your existing IACS profile with all roles and provides a brief summary of entities specific to each role.

In the *Select Action* field drop-down list, you can select one of the following actions:

- **View My Access Profile** – This is the **default** view and it allows you to view your existing IACS profile with all roles and provides a brief summary of entities specific to each role. If this is the action you want to take, go to Section B 2.4.
- **Modify CBO/CSR Profile** – Allows you to modify your CBO/CSR profile. Select this action if you want to add or remove Call Centers from your profile. If you add one or more Call Centers, the request will have to be approved by the appropriate CBO/CSR Approver. Requests to delete one or more Call Centers do not need to be approved. If this is the action you want to take, go to Section B 2.1.
- **Add Application** – Allows you to select an application to which you want to request access. You can only request access to one application at a time. Select this action if you want to request access to applications other than CBO/CSR. If this is the action you want to take, go to Section B 2.2.
- **Add Community** – Allows you to select a CMS Community to which you want to request access. You can only request access to one community role at a time. If this is the action you want to take, go to Section B 2.3.

The screenshot shows the 'Access Request' interface. At the top left, there is a 'Select Action' dropdown menu with the following options: 'View My Access Profile', 'Modify CBO/CSR Profile', 'Add Application', 'Add Community', and 'View My Access Profile'. Below this, the 'View My Access Profile' section is active, showing 'Profile Summary' for 'CBO/CSR : User' with 'Call Center(s): Blue Cross/Blue Shield, Little Rock, AR'. To the right, under 'Possible Actions', there is a radio button for 'As a User:' and a sub-option 'Add/Remove Call Centers'. A 'Cancel' button is located at the bottom left. The footer includes 'Logout', 'OMB: 0938-0988', 'Effective date 5/06', and 'Logged in as: DLFB791'.

Figure B 15: Modify Account Profile – Select Action Drop-Down List

Action: Select the **Action** you want to take.

Detailed explanations of each action are provided in the following subsections.

B 2.1 Modify CBO/CSR Profile:

When you select the action of **Modify CBO/CSR Profile**, the screen will refresh and display a screen similar to the one illustrated in Figure B 16.

- If your Role is that of **User**, the **Access Request** portion of the screen will appear as illustrated in the example in Figure B 16.
- If your Role is that of **Approver**, the screen that will appear will be similar to the one illustrated in Figure B 16, except that the *Role* field will have your specific role displaying.

In the **Access Request** portion of the screen, the **View My Access Profile** table showing your current applications and roles **is no longer displayed**.

Figure B 16: Modify Account Profile – CBO/CSR

B 2.1.1 Add Call Centers

If you want to **Add a Call Center** to your current list of Call Centers, do the following:

Action: Select the Call Center from the *Call Center* field drop-down list.

Action: Select the **Add** button.

If you want to add another Call Center, repeat the above Actions.

B 2.1.2 Remove Call Centers

If you want to **Remove a Call Center** from your current list of Call Centers, do the following:

Action: In the *Modify Call Centers* field areas, within the *Existing Call Centers* area, select the Call Center you want to remove.

Action: Select the button with the right-facing arrow.

The system will move the selected Call Center to the *Call Centers to Remove* area to the right. If you change your mind, you can move the Call Center back to the *Existing Call Centers* area by selecting the button with the left-facing arrow.

If you want to move all the Call Centers in the *Existing Call Centers* area to the *Call Centers to Remove* area, select the button with the double right-facing arrow.

If you change your mind, you can move all the Call Centers back to the *Existing Call Centers* area by selecting the button with the double left-facing arrow.

B 2.1.3 Justification for Action

Once you have finished making your modifications, do the following:

Action: Enter a brief justification statement for your request in the *Justification for Action* field. This field must include the reason you are requesting this action.

Action: Select the **Next** button when you are done entering your justification statement.

Go to the **Completing Your Account Profile Modification** section of this document for instructions on how to complete your Account Profile modification.

B 2.2 Add Application

When you select the **Add Application** action, the screen will refresh and you will be presented with a screen similar to the one illustrated in Figure 17. This action will allow you to request access to other CMS applications integrated with IACS.

In the **Access Request** portion of the screen, the **View My Access Profile** table showing your current applications and roles **is no longer displayed**.

A **new field is displayed** entitled *Select Application* along with the *Justification for Action* field.

The screenshot shows the 'Access Request' form. At the top, there is a 'Select Action' dropdown menu with 'Add Application' selected. Below it is the 'Select Application' dropdown menu, which is currently empty and marked with an asterisk. To the right of this field is a note: '* indicates a required field'. Below the 'Select Application' field is the 'Justification for Action' text area, also marked with an asterisk. At the bottom left, there are 'Next' and 'Cancel' buttons. At the bottom right, there is a footer with 'Effective date 5/06' and 'Logged in as: DBER937'. On the bottom left of the footer, there is 'OMB: 0938-0989' and a 'Logout' button.

Figure B 17: Modify Account Profile – Add Application

The *Select Application* field has a drop-down list of the other CMS applications integrated with IACS as illustrated in Figure B 18.

Note: Your current application would not be listed because you may only have **one role in an application**.

This screenshot is a close-up of the 'Select Application' dropdown menu. The menu is open, showing a list of application names: 'Select Application', 'MA/MA-PD/PDP/CC', 'CBO/CSR', 'COB', and 'HETS UI'. The 'Select Application' option is highlighted in blue. The rest of the form, including the 'Justification for Action' field and the 'Next' and 'Cancel' buttons, is visible in the background but slightly faded.

Figure B 18: Modify Account Profile – Select Application Drop-Down List

Action: Select the desired **Application** from the drop-down list.

Please refer to the procedures for requesting access to the various CMS applications, using the Modify Account Profile option, which are provided in the following IACS Help Document Attachments:

- **Attachment A – MA/MA-PD/PDP/CC** – Medicare Advantage/Medicare Advantage-Prescription Drug/Prescription Drug Plan/Cost Contracts
- **Attachment C – COB** – Coordination of Benefits – VDSA and COBA Organizations
- **Attachment D – HETS UI** – HIPAA Eligibility Transaction System User Interface

B 2.3 Add Community

When you select the **Add Community** action, the screen will refresh and you will be presented with a screen similar to the one illustrated in Figure B 19. This action will allow you to request a role in a CMS User Community.

In the **Access Request** portion of the screen, the **View My Access Profile** table showing your current applications and roles **is no longer displayed**.

A **new field is displayed** entitled *Select Community* along with the *Justification for Action* field.

The screenshot shows a web form titled "Access Request". At the top, there is a dropdown menu labeled "Select Action:" with "Add Community" selected. Below this is another dropdown menu labeled "Select Community:" with "Select Community" selected and an asterisk indicating it is a required field. A text area labeled "Justification for Action:" is also present with an asterisk. At the bottom left are "Next" and "Cancel" buttons. The footer contains "Logout", "OMB: 0938-0989", "Effective date: 5/06", and "Logged in as: DBER937".

Figure B 19: Modify Account Profile – Select Community Field

The *Select Community* field has a drop-down list containing the available CMS User Communities as illustrated in the example in Figure B 20.

The screenshot shows a web form titled "Access Request". At the top, there is a "Select Action" dropdown menu with "Add Community" selected. Below it is a "Select Community" dropdown menu which is open, showing three options: "Select Community", "Provider/Supplier", and "FI/Carrier/MAC". The "Provider/Supplier" option is highlighted. To the right of the "Select Community" dropdown is an asterisk (*). Below the dropdown is a text area labeled "Justification for Action:" which is currently empty. To the right of this text area is another asterisk (*). At the bottom of the form are two buttons: "Next" and "Cancel".

Figure B 20: Modify Account Profile – Select Community Drop-Down List

Action: Select the desired **Community** from the drop-down list.

Please refer to the procedures for requesting access to the various CMS User Communities, using the Modify Account Profile option, which are provided in the following IACS Help Document Attachments:

- **Attachment E – DMEPOS Community** – Durable Medical Equipment, Prosthetics, Orthotics & Supplies (DMEPOS) Competitive Bidding System (DBidS) Community
- **Attachment F – Provider/Supplier – Individual Practitioner**
- **Attachment G – Provider/Supplier and FI/Carrier/MAC Communities**

B 2.4 View My Access Profile

With the **View My Access Profile** action selected, the screen will look similar to the example illustrated in Figure B 21. In the **Access Request** portion of the screen, a table showing your current applications and roles is displayed. All of the applications and/or community roles for which you are approved to access are listed in this table.

There are no actions for you to take if you select **View My Access Profile**.

Note: This is the **default** view that appears when the Modify Account Profile screen first displays. If you then select the **View My Access Profile** action from the **Select Action** field, the screen will not change.

Access Request

Select Action: View My Access Profile

Community/Application : Role	Profile Summary	Possible Actions

B 2.5 Completing Your Account Profile Modification

When you select the **Next** button, the system will display the **Modify Request Confirmation** screen as illustrated in Figure B 23.

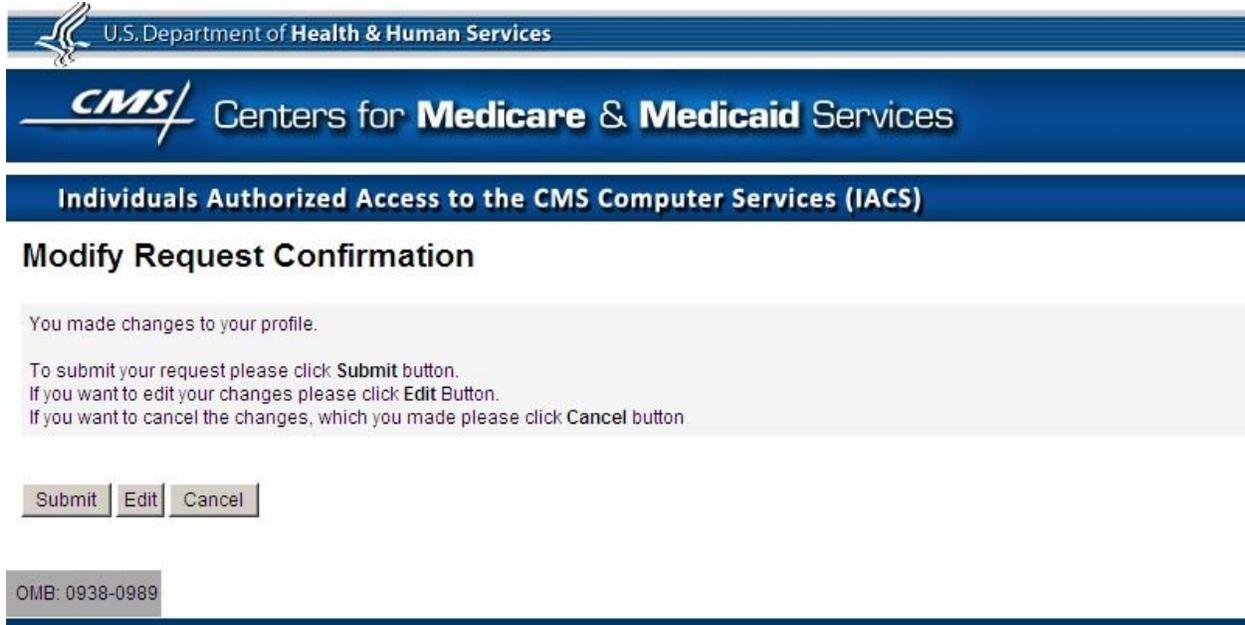

Figure B 23: Modify Request Confirmation Screen

Action: Select the **Submit** button to submit your modification request.

- To return and edit your changes, select the **Edit** button.
- If you select the **Cancel** button, your request will be cancelled and any modifications you entered will be lost. A screen indicating this will be displayed.

Note: Your modifications will not be completed unless the **Submit** button is selected.

When you select the **Submit** button, a **Modification Request Acknowledgement** screen will display as illustrated in Figure B 24. You must select the **OK** button to complete your account profile modification.

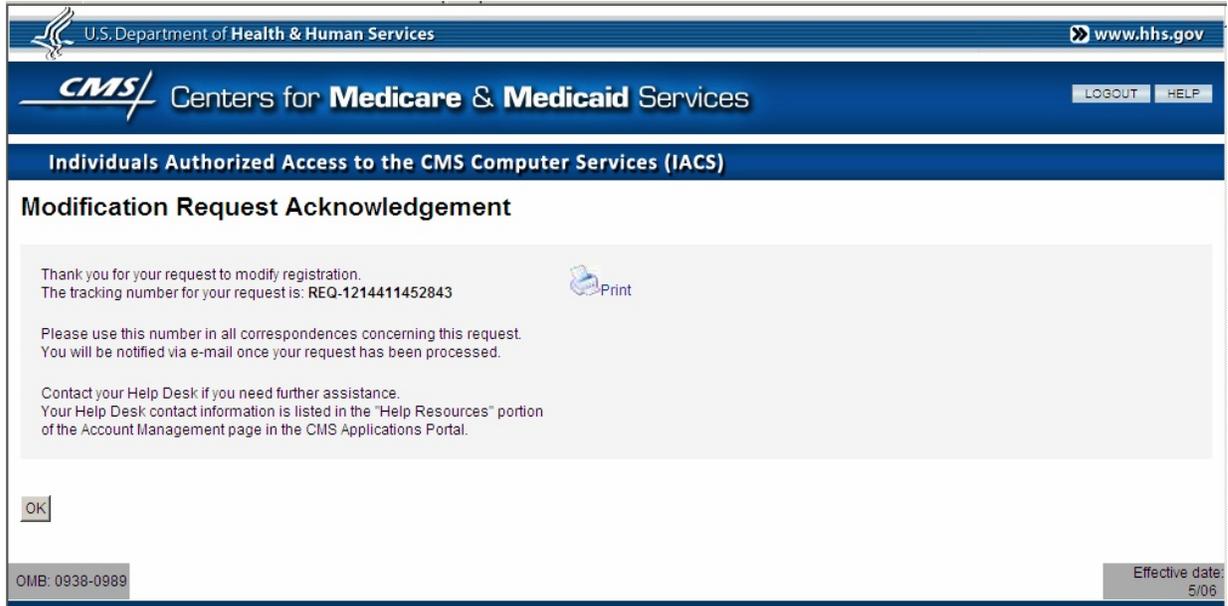

Figure B 24: Modify Request Acknowledgement Screen

The **Modify Request Acknowledgement** screen indicates your request has been successfully submitted and provides a tracking number for your request. **Record this tracking number** and use it if you have questions about the status of your request.

Note: You can print the information contained on the screen by selecting the **Print** icon.

Action: Select the **OK** button to complete the Modify Account Profile process.

The **Modify Request Acknowledgement** screen will close and the system will return you to the **My Profile** screen, Figure B 13.

B 2.6 After Your Account Profile Modification

You will be sent an email confirming that IACS has received your request and providing you with a Request Number. You should use that request number if you contact your Help Desk regarding your request.

If an email notification is not received within 24 hours after you modify your profile, please contact your Help Desk.

Your approver will be notified of your pending request via email. You will be notified via email if your requested account profile modification is approved or denied.

Note: Removal of Call Centers does not require approval.
