

Introduction to the Deemed Notice

What Is the Purpose of This Notice?

The purpose of the notice is to let people who automatically qualify for Extra Help paying for Medicare prescription drug coverage know that they will get Extra Help without needing to apply for it.

Who Gets This Notice?

Medicare mails the notice on purple paper to people who have Medicare and Medicaid, people who are in Medicare Savings Programs (MSP), and people who get Supplemental Security Income (SSI) benefits. These people don't have to apply to get the Extra Help, but will get it automatically.

When Do People Get This Notice?

People will get this notice in the month following the month that Medicare is informed of the person's Medicaid, MSP, or SSI eligibility.

What Should People Do Next?

People who get this notice have the opportunity to join a Medicare drug plan in their area. If they don't join a plan on their own, Medicare will enroll them in a plan to make sure they get Medicare prescription drug coverage and the Extra Help. If people have questions about the information in the notice, direct them to do the following:

- Read their "Medicare & You" handbook for more information about choosing and joining a Medicare drug plan.
- Visit www.medicare.gov.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- Contact their State Health Insurance Assistance Program (SHIP) for free personalized health insurance counseling. See the "Medicare & You" handbook or call 1-800-MEDICARE for the telephone number in their state.

People can reference CMS Product No. 11166 if they call Medicare or a SHIP with questions.

Please keep this notice for your records. You're getting this notice because you automatically qualify for Extra Help paying Medicare prescription drug coverage costs.

What does it mean to automatically qualify for Extra Help?

You get Extra Help and don't need to apply for it. If you applied, your application won't be processed because we already know you qualify. Getting Extra Help means you will pay no more than <gen_amt> for a generic drug and no more than <brd_amt> for a brand-name drug in a Medicare drug plan in 2009. These amounts may increase each year. You qualify for this help beginning <effective date> at least until December 31, <year>.

Note: You can only get Extra Help if you live in one of the 50 states or Washington D.C.

Be sure to bring this purple notice when you get a prescription filled, so the pharmacist knows you qualify for Extra Help.

What if I'm not in a Medicare drug plan?

Medicare will enroll you in a plan to make sure you get help paying for prescription drug coverage. Medicare will send you a yellow or green notice telling you what plan it will enroll you in. If you want to join a different plan from the one Medicare enrolls you in, call the other plan and find out how to join. If you don't want to be in any Medicare drug plan, you can decline the coverage by either calling 1-800-MEDICARE (1-800-633-4227) or the plan Medicare enrolls you in. Tell them you want to opt out. TTY users should call 1-877-486-2048. **Caution:** If you opt out, you won't get Medicare prescription drug coverage or Extra Help paying your drug costs.

What if I'm already in a Medicare drug plan?

If you have had any prescriptions filled since <effective date>, you may be able to get back part of what these prescriptions cost. Call your plan for more information.

What if I have questions?

If you have questions about Medicare prescription drug coverage or the information in this notice, read your "Medicare & You" handbook, visit www.medicare.gov, or call 1-800-MEDICARE for help. You can also call your local Office on Aging or your State Health Insurance Assistance Program (SHIP) for free personalized health insurance counseling. See your "Medicare & You" handbook or call 1-800-MEDICARE for their telephone number.
