This file contains information about those persons who helped the SP perform various activities. These are activities of daily living (ADLs), instrumental activities of daily living (IADLs), making Medicare insurance decisions, and/or taking care of Medicare paperwork. It includes each helper's relationship to the respondent and specifies which activities in which the helper assists.

There is one record for each person who helped the SP with an ADL, an IADL, or other activity. Therefore, it is possible to have one, several, or no records per respondent.
