Physicians who bill Medicare carriers for their services

Key Points

- The Centers for Medicare & Medicaid Services (CMS) is offering a second participation enrollment period for 2006 for physicians.
- This second enrollment period will run for 45 days. It will begin on February 15, 2006, and end on March 31, 2006. Your Medicare carrier will accept any participation enrollment changes for 2006 that are received or post-marked by March 31, 2006.
- Any revisions to the participation election during this new enrollment period will be **retroactive to January 1, 2006**.
- This second enrollment period will allow you to reconsider your decisions in light of the revised 0 percent update stemming from the Deficit Reduction Act of 2005, and the related revision to the 2006 Medicare Physician Fee Schedule (MPFS).
- If you choose to submit your participation election (or withdrawal request) during this second enrollment period, you must begin to bill claims in accordance with your decision once the election is submitted to your local carrier.
- If you do not wish to change your current participation, or non-participation status, you do not need to do anything.
