

Technical Corrections 2008 Test Measures

July 1, 2008

CMS announces the following revisions to the 2008 Test Measure Specifications dated May 19, 2008.

Oncology Test Measure T143

- Test measure 143 has been modified to include two-parts, T143-A (Medical and Radiation - Pain Intensity Quantified) and T143-B (Medical and Radiation – Plan of Care for Pain).
