

Help Stop Medicare Fraud

An important message from Medicare for people in
Miami-Dade, Broward and Palm Beach Counties

Fraud costs the Medicare Program billions of dollars every year.

Fraud can happen when Medicare gets billed for items or services you didn't get.

Or, fraud can happen when someone uses your Medicare number to bill Medicare without your knowledge.

Take action to help stop Medicare fraud!

- ★ Check your Medicare statements to make sure Medicare isn't charged for items or services you didn't get.
- ★ If you suspect a fraudulent charge on your Medicare statement, call Florida's **Medicare Fraud Hotline** at **1-866-417-2078**.
