

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State: Oregon

TRANSFER OF RESOURCES

1902(f) and 1917
of the Act

The agency provides for the denial of eligibility by reason of disposal of resources for less than fair market value.

A. Except as noted below, the criteria for determining the period of ineligibility are the same as criteria specified in section 1613(c) of the Social Security Act (Act).

1. Transfer of resources other than the home of an individual who is an inpatient in a medical institution.

a. 17 The agency uses a procedure which provides for a total period of ineligibility greater than 24 months for individuals who have transferred resources for less than fair market value when the uncompensated value of disposed of resources exceeds \$12,000. This period bears a reasonable relationship to the uncompensated value of the transfer. The computation of the period and the reasonable relationship of this period to the uncompensated value is described as follows:

- b. The period of ineligibility is less than 24 months, as specified below:
- c. The agency has provisions for waiver of denial of eligibility in any instance where the State determines that a denial would work an undue hardship.
- *d. The agency uses a procedure which provides for a total period of ineligibility greater than 24 months for individuals who have transferred resources for less than fair market value when the uncompensated value of disposed of resources exceed \$24,000. This period bears a reasonable relationship to the uncompensated value of the transfer. The computation of the period and the reasonable relationship of this period to the uncompensated value is described as follows:
- The period of ineligibility continues for as many full months as equals the uncompensated value divided by \$1,000.
- *Based on Lewis vs. Hegstrom, 1984.
- e. For resources transferred on or after July 1, 1988 the period of ineligibility is the lesser of thirty months or the total number of months divided by \$1,970, unless the resources were transferred to the individual spouse or blind or disabled child.

2. Transfer of the home of an individual who is an inpatient in a medical institution.

IX A period of ineligibility applies to inpatients in an SNF, ICF or other medical institution as permitted under section 1917(c)(2)(B)(i).

- For resources transferred prior to July 1, 1988.
- a. Subject to the exceptions on page 5 of this supplement, an individual is ineligible for 24 months after the date on which he disposed of the home. However, if the uncompensated value of the home is less than the average amount payable under this plan for 24 months of care in an SNF, the period of ineligibility is a shorter time, bearing a reasonable relationship (based on the average amount payable under this plan as medical assistance for care in an SNF) to the uncompensated value of the home as follows:

- * The period of ineligibility begins with the month of disposal of the home and continues for as many full months as equals the uncompensated value divided by \$1,350.00.

* Based on Lewis vs. Hegstrom, 1984.
