<b>Who is eligible</b>	<p><b>To qualify, Medicare beneficiaries must simply meet these criteria:</b></p> <ul style="list-style-type: none"> <li>- You must be enrolled in a discount card plan that participates in the special Novartis program. <i>See discount card programs above.</i></li> <li>- You must be eligible for and receive the \$600 credit under the Medicare discount card program.</li> <li>- You must have spent the \$600 credit. This credit can be used for any eligible drugs, not just medicines from Novartis.</li> <li>-If your income is above 135% of FPL(Federal Poverty Level) you will receive our regular discounts through the cards.</li> <li>-<i>Note:</i> You are not eligible if you have other insurance coverage for prescription drugs such as any state pharmacy assistance program.</li> </ul>
<b>How to enroll</b>	You do not have to apply for the special program from Novartis. Participating discount card programs will automatically enroll you in the program and maintain records of your spending on medicines that you purchase with the card.
<b>How does it work</b>	Once the \$600 credit is spent, Novartis will provide the medicine to you free of charge. You will however, be responsible for any pharmacy fees, such as a dispensing fee, as negotiated by your card sponsor. Participating discount card sponsors will be responsible for administering the Novartis program.
