No matter what your prescription needs are, you can depend on a **Medicare-approved drug discount card** to help you **start saving on the cost of your prescriptions**. Plus, millions of lower-income people with Medicare may also qualify for a **\$600 credit** toward prescription medicines.

It's only with a Medicare-approved drug discount card. Call today to compare cards, so you can choose the one that works best for you.

Call 1-800-MEDICARE (1-800-633-4227) or www.medicare.gov. TTY users call 1-877-486-2048.

Savings vary. Enrollment fee, deductibles, and co-pay may apply. Income under \$12,569 single, \$16,862 married. Qualifications and credit amount vary outside continental U.S.
