

**Division of State Children's Health Insurance, Family and Children's Health Programs Group, CMSO**

---

March 1, 2002

Dear State Medicaid and SCHIP Directors:

The purpose of this letter is to notify you of recent staffing changes in the Family and Children's Health Programs Group within the Center for Medicaid and State Operations at the Centers for Medicare & Medicaid Services (CMS).

First, I want to advise you that I am now the Director of the State Children's Health Insurance Program (SCHIP) Division. I am glad to be back in the SCHIP Division and look forward to working with each of you.

Secondly, I want to announce several new staff to the Division. They are: Johanna Barraza-Cannon, Tiffany Eggers and Lillian Gibbons. Johanna comes to CMS from Tucker Alan Consulting where she provided technical assistance to State Medicaid Agencies for 3 years. Tiffany joins CMS after serving as legal counsel at a not-for-profit dedicated to helping those with diseases of muscle and nerve. There she also guided the development of practice parameters and focused on issues of quality assurance.

Michelle Everett and Lil Gibbons recently joined our staff from the Division of Eligibility, Enrollment and Outreach at CMS. Michelle worked on SCHIP outreach issues for the past 3-½ years. Prior to coming to CMS, she supervised the outreach representatives and call center staff at the enrollment broker for the State of Maryland. Lil has worked on SCHIP outreach and enrollment since the beginning of the program. She was the CMS (HCFA) lead on the Interagency Task Force on Children's Health Insurance and directed outreach for the Children's Health Initiative.

Enclosed is a revised list of contacts for each state and their assigned Project Officers. If you have any questions, please feel free to contact me at (410) 786-4196.

Sincerely,

/s/  
Cheryl Austein Casnoff  
Director
