# Eligibility Hierarchy

Individuals may become eligible for AHCCCS covered services by meeting eligibility requirements for one or more eligibility groups. If an individual meets the eligibility requirements of more than one group, the individual is placed in the group that is higher on the eligibility hierarchy.

For example, an individual who meets the requirements of the Statefunded Premium Sharing Project and Kids Care will be placed in Kids Care. The chart below and graphs on the following page shows this.

<u>% F P L</u>	<u>Description</u>	<u>AGE</u>
30	Medicaid/Children (1931 Group)	0-18
30	Medicaid/Children (Ribicoff)	15-18.
100	Medicaid/Children (SOBRA)	6-14
133	Medicaid/Children (SOBRA) IL111-U5	1+to<6
140	Medicaid/Mothers and Children (SOBRA)	<1
150	Title XXI/Kids Care	0<1 9
200	State-funded Premium Sharing Project	0<19

### Exceptions

Individuals who meet the SSI-Cash and SSI-MAO eligibility requirements up to of the FPL will not be considered for placement in other eligibility groups.

Most MN/MI EAG and ELIC eligible children under 18 Will be covered under Kids Care. However, if they are ineligible for Kids Care due to income, they may qualify for MN/MI or ELIC due to "spenddown".

Persons with chronic illnesses with incomes from 200-400% of the FPL may qualify for the State-funded Premium Sharing Project.
