Dear Ms. Biedess:

We are pleased to inform you that the amendment to your Children's Health Insurance Program (Title XXI) plan that you submitted on February 23, has been approved. This amendment adds four reasons why a child would not be guaranteed an initial twelve months of continuous coverage in Arizona's KidsCare program.

The Department of Health and Human Services will continue to provide information related to areas such as enrollment and administrative simplification, models of successful outreach programs, comprehensive systems and measures of quality care, linkages to other children's health programs, and data options through State letters and through the Departmental website. I hope you will find these resources helpful as you continue to implement your program.

Your project officer continues to be Joan Peterson. Ms. Peterson is available to answer any questions concerning the implementation of your Title XXI Program and may be reached at (410) 786-0621. Her address is:
